**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

See Attached Requirement of Information

**Requirement For Information**

Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.

In response to this requirement, please provide answers to each of the following interrogatories eliciting factual information:

Was the claimed subject matter of the invention first shipped as part of Distributed File System Replication, first shipped as part of Windows Server 2003 (R2) on the 5<sup>th</sup> of December 2005?

Was the claimed subject matter of the invention shipped on the 15<sup>th</sup> of December 1999 as part of Windows 2000?

Was a final resolution or decision with regard to the novelty or obviousness of the instant invention reached in Commission v. Microsoft (COMP/C-3/37792), and if a resolution or decision was reached what was the resolution or decision?

In further response to this requirement, please provide the following documents:

Any documents filed in response to Microsoft's reply to argument's filed on August 31, 2007 in Commission v. Microsoft,

and, any documents containing a final resolution or decision of the novelty or obviousness of the instant claimed invention.

Art Unit: 2164

The applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 CFR 1.56. Where the applicant does not have or cannot readily obtain an item of required information, a statement that the item is unknown or cannot be readily obtained may be accepted as a complete reply to the requirement for that item.

This requirement is subject to the provisions of 37 CFR 1.134, 1.135 and 1.136 and has a shortened statutory period of 1 months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cory C. Bell whose telephone number is (571) 272 2736. The examiner can normally be reached on m-f 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Charles Rones can be reached on (571) 272 4085. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
